DIL ROUNDUP

April - May - June 2023

Directorate of Industrial Liaison - NED University of Engineering & Technology

Editor's Note

University industrial collaboration refers to the interaction between higher educational system and industry aiming mainly to encourage knowledge and technology exchange. Universities have a wealth of knowledge and talent, from world class academic researchers to students and stimulate companies for internal

research and development programs. University researchers help industrial scientists to identify current research that might be useful for them to design and development of innovative processes and potential products for them.

Engr. Dr. Muhammad Amir Qureshi
Director DIL

About DIL

The Directorate of Industrial Liaison (DIL) was established at NED University of Engineering & Technology in 1997. The prime objectives of DIL are to create and enhance the required university-industry linkages in the form of various activities including Internships, Field study visits, Final year projects and Job placements.

The vision of DIL Department is to empower students to discover and pursue a path to a fulfilling career, so they can make their own unique marks Pakistan's social and economic transformation.

Recognizing that career development is a life-long process, the mission of DIL Department is to facilitate students as they explore and further understand themselves and career options, gain valuable experience, develop as professional market leaders, and present their knowledge for betterment of society.

Jobs

Directorate of Industrial Liaison (DIL) encourages the prospective Employers for “On-Campus” hiring and facilitates them to conduct Career Counseling Sessions, Presentations, Tests and Interviews for recruitment. Many multi-national companies, some overseas employers, local business groups and Small and Medium Enterprises (SME) are availing such facilities on need basis. In this quarter various companies has been facilitated in by placing their job ads & on campus hiring information on DIL’s web notice board creating equal opportunities for all the students. To increase the visibility of department core objectives.

International Employer HIK Vision representatives had a meeting at DIL department to strengthen university industrial linkages by hiring NED graduates in their company Karachi office.
